The 2013 Yearbook is
dedicated to the memory of:

Jeffrey Means

June 10, 1964 - August 30, 2012

Assumption College
Security Guard

Memories:

Not a day/week went by where Jeff didn't tell me how much he loved his job, telling me this was the best job he'd ever had.

He greeted everyone who came to Assumption with a smile, kind words, and he was always looking to help anyone who needed it.

He is greatly missed by the Department and the Assumption community. Not a day goes by without someone mentioning Jeff and his good nature.

ASSUMPTION COLLEGE

OFFICE OF THE EXECUTIVE VICE PRESIDENT

January 7, 2010

Officer Jeffrey Means
Campus Police
Assumption College

Dear Jeff,

I want to take this time to express my gratitude for the outstanding way in which you perform your duties as an Assumption College Campus Police Officer. Dr. Fred Travis in his communication to the faculty on November 13, 2009 spoke of you as the "face of Assumption and highlighted the way in which you represent the College.

It takes many people to make this College successful, but there are few who go beyond the normal expectations and do so with such stateliness. As Dr. Travis so brilliantly orated, it is your unique ability, "to represent all of us with dignity, respect and helpfulness" and that you are a "model of friendliness, steadfastness, and good sense."

Thank you Jeff for a job done so well that it stands as a model for all of us to follow. I could not think of a better "face" for Assumption to have at its gate.

Sincerely,

Christian McCarthy
Executive Vice President
For Finance and Administration

Cc: Francesco Cesario, Ph.D., President
Chief Brad Holmes, Director of Public Safety

Jeff was the first person and last person anybody saw when visiting campus during the day.

He took his job seriously, but was also a nice guy.

Jeff loved his job.

His second love was working on a race team at Thompson Speedway in Connecticut.

A Letter from the Class President

Dear Class of 2013,

It kills me to say that the last four years have already come and gone, but inevitably here we are. It's the beginning of the end.

Looking back on my time at Assumption I see how I've grown—with the help of the ever famous Assumption College community—and I hope you have as well. We are surrounded by so many great people and we don't always realize how they've helped to shape us during our time here. We came in as awkward "Freshmeat" and every time someone or something threw a wrench in our plans whether it was a freak snowstorm on Halloween weekend that sent us home, no meat on Fridays in Lent, or the Superstorm Sandy blackout in 6men—having a great group of people to get you through it was key.

I couldn't be happier with my choice to come to Assumption because it gave me many great moments with you. I hope we can look back on our nights cooped up in Des and Alumni or even "Club Lib" and also the nights that we raged in the Valley and jam-packed the Hound Pound with the greatest enthusiasm. These last four years really have been the most defining years of our lives and at times they were also the most challenging.

The memories we share from Assumption are just as important as the people we share them with. Never forget them. Just because we are leaving Assumption doesn't mean those moments and friends should be left behind on 500 Salisbury Street. Keep them with you forever and if all else fails you—hopefully we can at least remember Senior Week. The hounds of 2013 are released from the pound!

Thanks for the good times,
Meghan Mascola '13

First Night Out

The seniors celebrated one of their first nights back at Assumption by heading to Jillian's Bar & Billiards Room for a fun-filled night of playing pool and catching up with friends about their summers. This was a fabulous way for the seniors to begin their final year of college.

September 7, 2012

100 Days

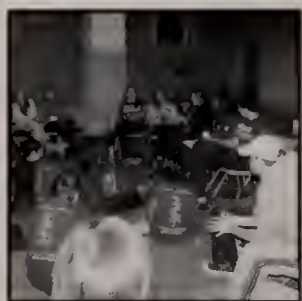

The Class of 2013 celebrated 100 days until Graduation from Assumption College by heading to Union Station to commemorate with their classmates and friends. Originally scheduled for February 8th, the blizzard forced the celebrations to be postponed to the following Friday, the 15th. Those who attended said that they had a blast dancing the night away at the new venue.

February 15th, 2013

Senior Retreat

The senior retreat is designed by Campus Ministry to help students answer their questions about the end of college life and feel more comfortable with the idea of graduation. It is unique in and of itself due to the focus put on the past four years and the future to come through small group discussions, witness talks, and reflection. The senior retreat team is directed by two students on the Campus Ministry Core Team and consists of a support staff of other students who have attended a START 1 retreat. This year the retreat was headed by Ashley Januszewski and

Daniele Caglioni and was well attended by a broad range of senior students. Held at the Immaculate Conception Spiritual Renewal Center in Putnam, CT, the group discussed reservations and hopes about a future after college. By the end of the retreat, new bonds had been formed and old ones rekindled as seniors laughed, cried, and reached a greater acceptance of the new life paths that lay ahead after graduation.

A Letter From The Yearbook Staff

To the Class of 2013,

In the words of Ralph Ellison, "Education is a matter of building bridges." If this is the case, students of Assumption College should surely be proud of the many bridges they have been able to cross. For this accomplishment, we wish to congratulate you and welcome you to this next step of your life.

We recognize the immense amount of work you've put into this achievement. We have seen the hours of homework you've completed and the many classes you've taken. We've come together to stand strong as a community, despite the challenges that have faced us. We've watched as lessons were learned, friendships developed, and memories made. These are the things that have made you successful and shaped you into the person you are today.

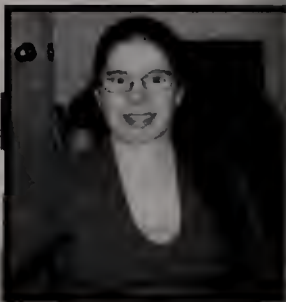

Yet we want to remind you - it's not over yet. It's not all about just building bridges. You have a long way to go and we expect nothing but greatness from each of you.

Your years at Assumption have been instrumental in bringing you to this point, but they are only the foundation. Your professors, family, classmates and friends cannot pave the way ahead for you. Instead, they have given you the building blocks with which you can construct whatever you wish for yourself. Whatever you choose to build, you will always have the support of the Assumption community behind you.

We have no doubt in your abilities to achieve your goals. And so, with graduation, we set you free to become the architect of your own future and build whatever you desire.

We wish you the best of luck and, again, congratulations, Class of 2013!

Swimming

Nationally-ranked through much of the second half of the season, the women's swimming and diving team enjoyed the most successful season in the program's history. Assumption posted its best finish ever at the Northeast-10 Championship as the Hounds placed third behind a pair of conference titles from junior standout Monique Haney. The Hounds also captured their first-ever Worcester City Championship, where Haney was named as the Most Outstanding Swimmer at the meet. The team was also undefeated in dual meet action as well, posting a perfect 5-0 mark. Haney was also a three-time Northeast-10 Swimmer of the Week and freshmen Caitlin Schofield and Victoria Weber each earned Rookie of the Week honors once during the season. In total, 11 individual records, four diving records and four relay school records were all set during the 2012-2013 season. Academically, the women's swimming and diving team earned the College Swimming Coaches Association of America (CSCAA) Team Scholar All-American Award for the 10th straight semester.

STUDENT LIFE

One's friends are that part of the human race with which one can be human.

-George Santayana

Orientation 2012

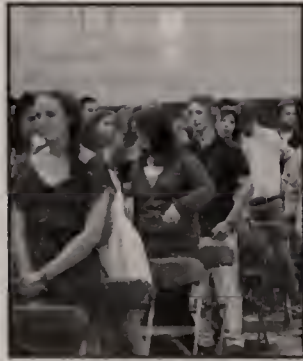

Nearly all students at Assumption College experience First-Year Orientation, a program that allows incoming freshmen to spend a night on campus. Here, they learn about what the college has to offer, including academics, spirituality, extra-curricular clubs and activities, and much more. The Orientation program was run by 8 Orientation Executives and 20 Orientation Leaders. These students experienced a thorough interview process beginning in the 2012 spring semester. Together, the 28 Orientation Leaders guided more than 550 students over three sessions of Orientation, allowing them to get acclimated to the college campus, to meet new friends, and to enhance the excitement of their college move-in the upcoming Fall. The Orientation Leaders experienced much personal growth, making new friends, and creating life-long memories out of experiences they never thought they would have.

■ ■ Matriculation 2012

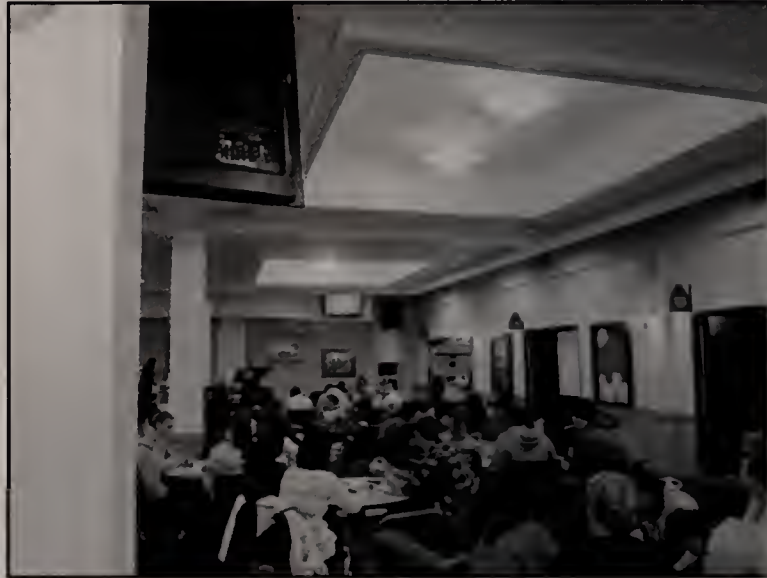

Assumption College held its annual Matriculation Ceremony for the incoming students of 2016 on August, 29th, 2012. The Matriculation Ceremony not only welcomed the class officially but also introduced them to the values of the institution and importance of the academic journey upon which they have embarked. This ritual was a defining moment of transition for new students as they began their college career. The faculty also welcomed these new students and showed their support and readiness to assist them along the way. After the ceremony, all students were invited to attend a campus barbecue where they were surprised by their peers, faculty, and administrators with a flash mob.

Welcome Weekends

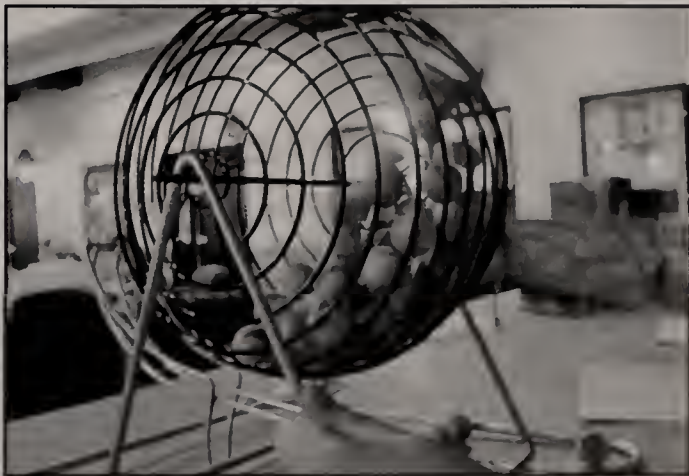

SKA GYMNASIUM

HALL OF THE GREYHOUNDS

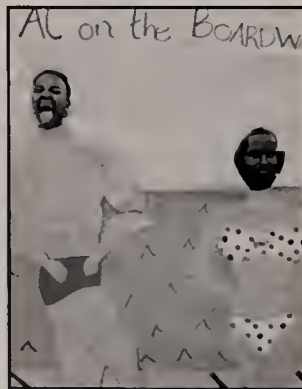

This year, CAB hosted the first ever "Welcome Weekends", which gave students something new to do during their first two weekends back at Assumption. The events were a huge success, with students participating in Big Prize Bingo and Fall Fever. There was also an outdoor drive-in movie night featuring the Hunger Games. The newest event was "Head Phone Disco," a silent disco that came all the way from the UK. Over 1,000 students attended the events combined, so it's safe to say these new weekend events were a success!

Fall Fever ■■■■■■■■■■

Fall fever is an annual fall event hosted by CAB. This year it was a carnival for all AC students to attend. The theme was "AC on the Boardwalk," so all the activities were "boardwalk" themed. There was a mechanical surfboard and a surfer guy and girl "head in a hole" photo option. In between playing the baseball pitch game and corn hole, students enjoyed BBQ food and fresh, juicy watermelon. Students also received sunglasses and airbrush tattoos, to fully get immersed in the boardwalk theme. It was a chilly, cloudy day, but it did not deter students from showing up in groups to have some fun on the boardwalk!

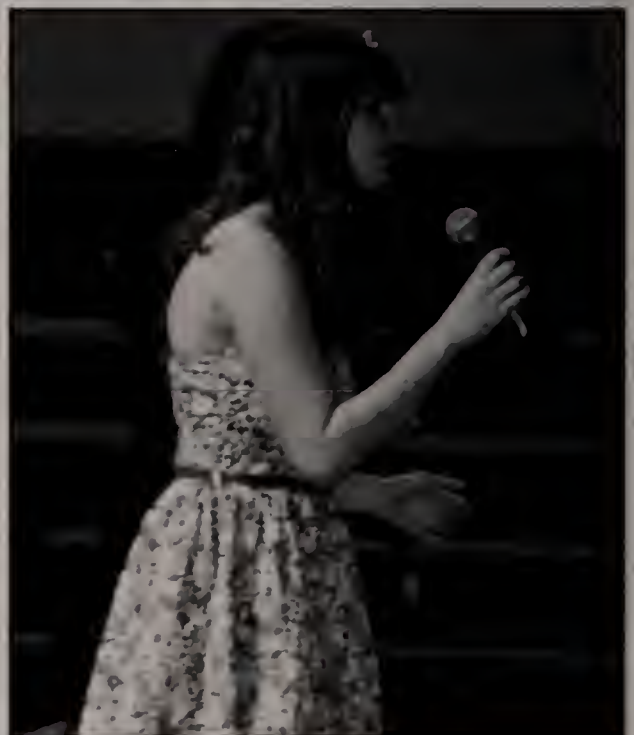

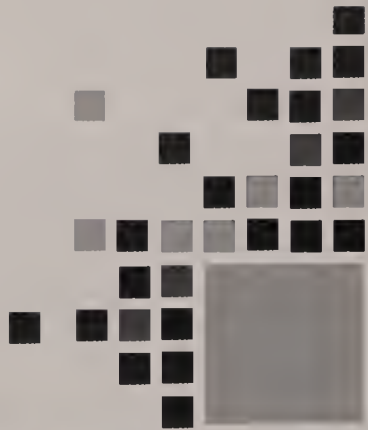

Family Weekend

Assumption College celebrated its annual Family Weekend on September 28th-30th. The families of Assumption College students came together for a weekend of food, live entertainment, and games. They could have attended dinner and bingo, different sporting events, a daytime festival with a variety of vendors and even a talent show featuring Assumption Students. It was a weekend of fun and togetherness on campus!

..... AC Idol

On Saturday October 20th, 2011 Campus Activities Board held its annual AC Idol event. A record amount of students attended and participated in the new "text to vote" way of voting. The stage was set, the lights were perfectly positioned, and the microphones were in working order. The contestants took their seats and the judges proceeded to their table. Students showed up to cheer on their peers and some were even part of an entourage and wore specific colors to support their friends, In the end Katerina Reilly did a fantastic job and was announced the winner, but all of the contestants shined on this night!

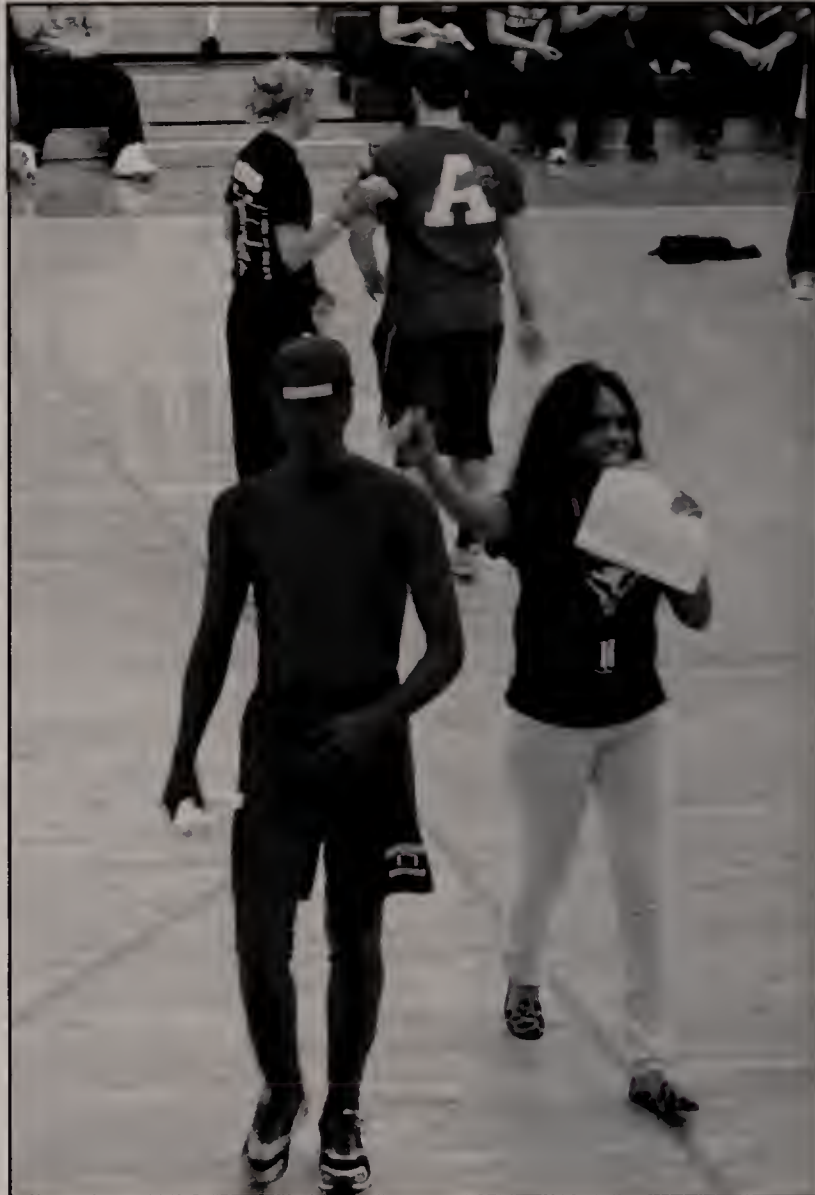

Halloween at Assumption is always fun, but students this year showed special devotion, letting everyone know for a second year in a row that no bad weather could ruin their celebration. Every year students dress up in their best costumes and celebrate both on and off campus. Students this year appeared as everything from ninja turtles, girl scouts, the joker and even the Easter bunny.

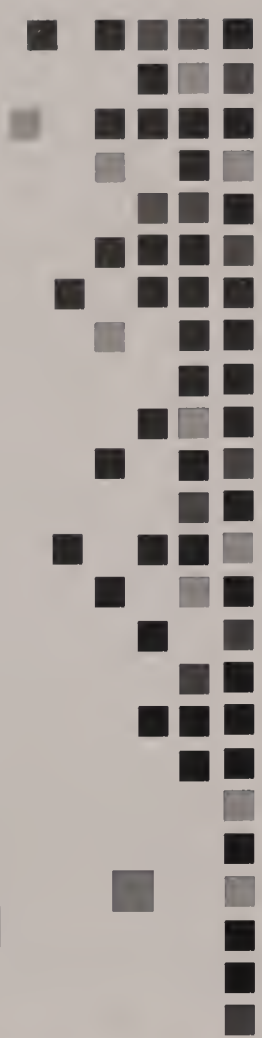

Midnight Madness

A night of screaming fans, flashing lights, free prizes, and basketball. This is Laska Gymnasium on October 25th, 2012 during Assumption College's annual Midnight Madness. Each year, the Midnight Madness pep rally kicks off the official start of basketball season for the men's and women's varsity teams. Both teams anxiously await this rally. Valiantly dressed in their blue and white jerseys, the members of both teams look forward to this night every year.

Midnight Breakfast

As the end of the semester comes near, students get together for a midnight breakfast before finals and lots of studying. This year's event was on Thursday, December 6th from 10:00 pm to 12:00 am. People stand in line for an hour just to get a free t-shirt; the first 100 students received a free "The Greyhound who Stole Christmas" t-shirt. In order to give back to the students, faculty, staff and administration serve breakfast food to the students who attend. The pancakes, hot chocolate and coffee help the students begin their finals studying and end the semester with faculty and fellow students. It's a night of laughs, eating good food, and relaxation before Christmas vacation.

Fall Play

Feeling Groovy

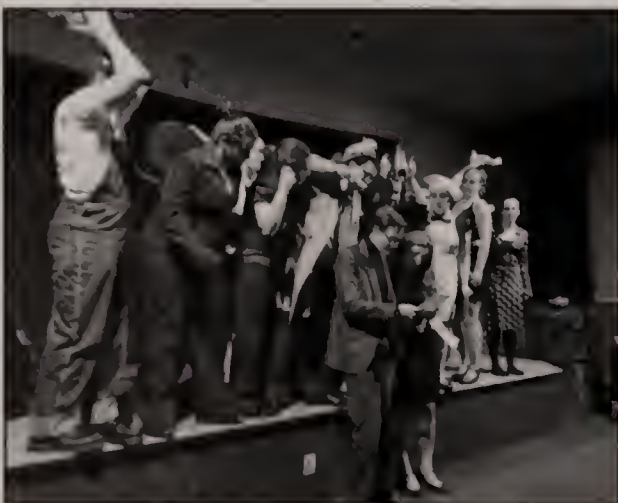

Murder's in the Heir

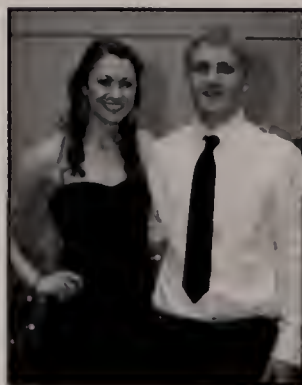

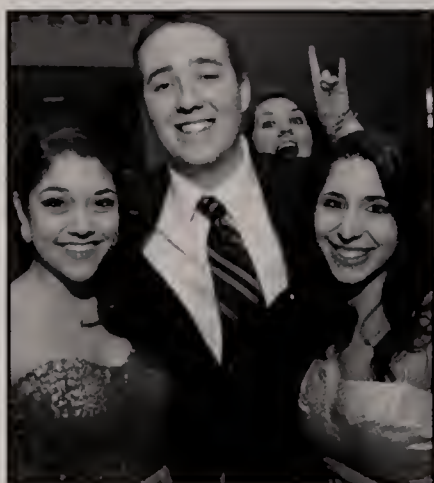

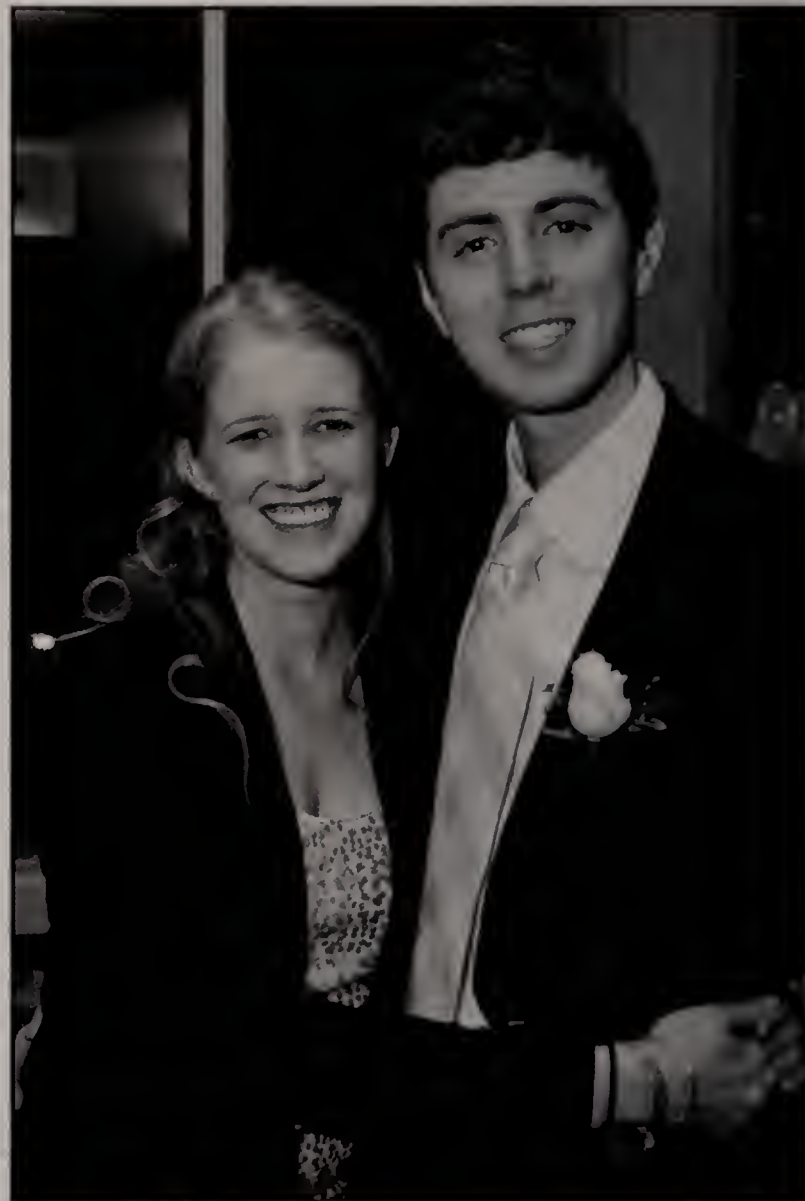

"Feelin' Groovy" was the second annual dinner theater put on by Assumption's theatre department. The performances were November 9th, 10th, and 11th, 2012 in Taylor Dining Hall. The show consisted of songs and scenes from the 1960s, including "I Wanna Hold Your Hand" by the Beatles, "Satisfaction" by the Rolling Stones, "California Dreamin'" by the Mamas and the Papas, and "Stop in the Name of Love" by the Supremes.

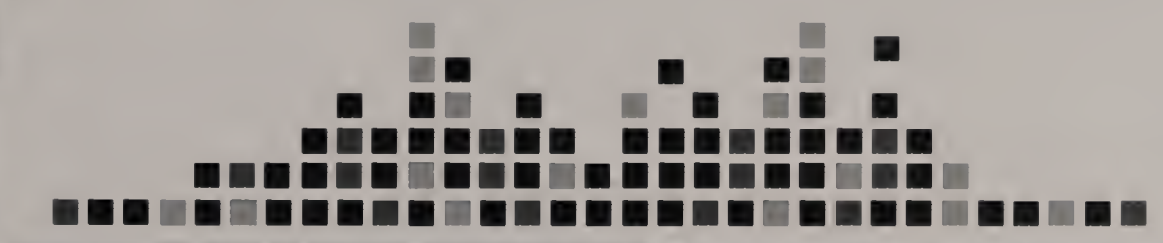

"Murder's in the Heir" was the fall play put on by Assumption's student theatre club, Merely Players. The performances of this audience-interactive murder mystery comedy were November 16th, 17th, and 18th, 2012 in La Maison Auditorium. After disinheriting his family and staff, Mr. Starkweather turns up dead later that night, leaving everyone a suspect. It was up to the audience to figure out whodunit by casting their votes on a ballot during intermission, resulting in a different performance each night.

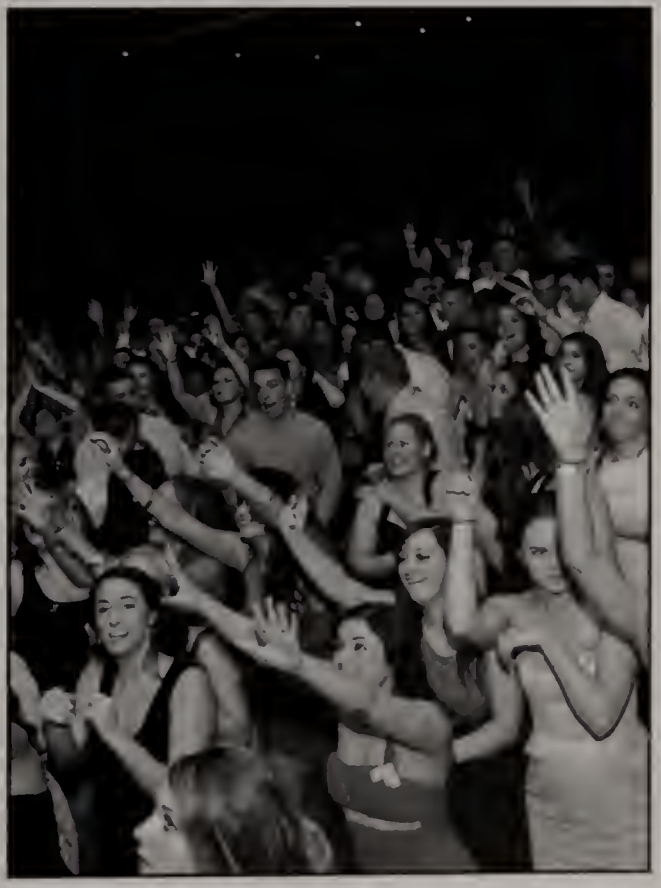

Winter Ball

The juniors and seniors attended the Jingle Bell Ball held at the DCU on December 1st. Students entered the ballroom to see a room full of the color red, candy canes, sleighs, and of course jingle bells. Each student received an awesome, red "Assumption College Winter Ball 2012" ornament as their party favor. Students danced the night away in celebration of the fall semester coming to an end.

President's Christmas Party

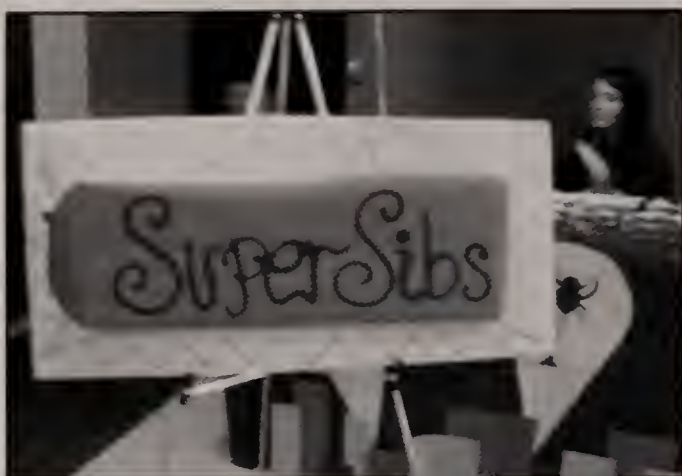

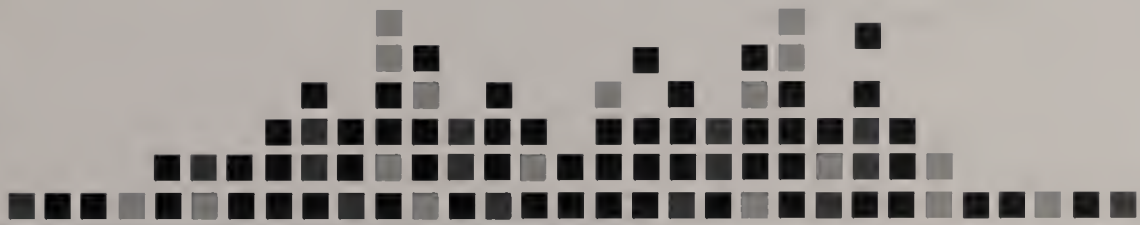

On December 6, 2012, President Cesaro held a Christmas reception in the Testa atrium. Students and faculty ate a delicious buffet dinner of chicken and beef kabobs and for dessert enjoyed a wonderful assortment of holiday cookies. The evening was filled with socializing between Assumption faculty and students wishing each other a Merry Christmas. Throughout the night, the Christmas spirit and season could be felt by all!

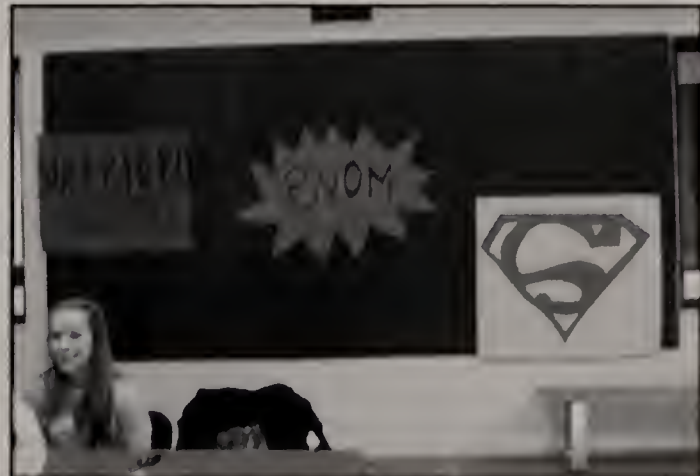

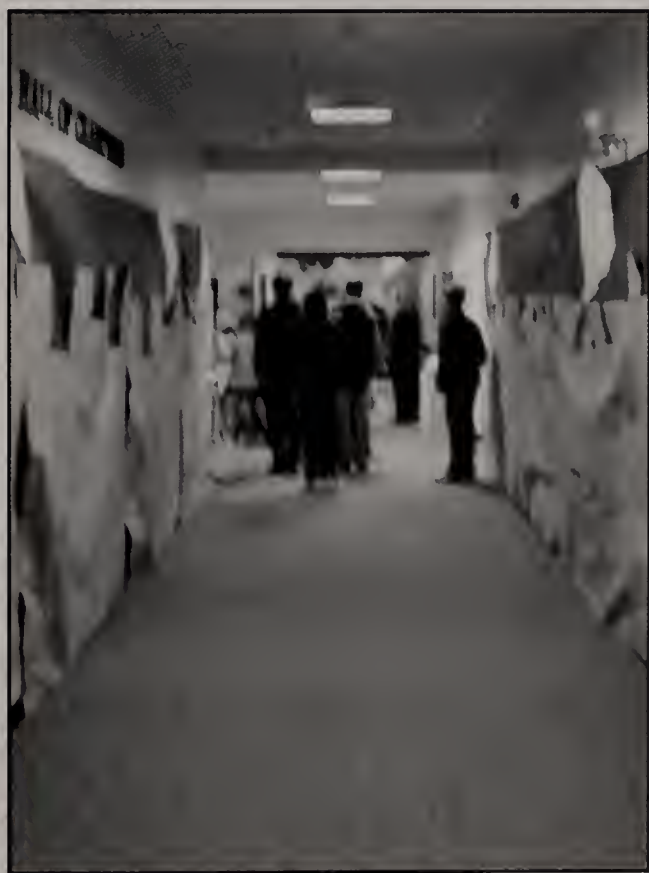

Siblings Weekend

Siblings Weekend 2013 was organized by the Campus Activities Board. Assumption students were able to invite their siblings to participate in a weekend filled with fun activities such as make your own mask, the bungee trampoline, superhero lollipops, create your own superhero t-shirt, face painting, and there was even a hypnotist! Siblings Weekend is a chance for siblings of all ages to experience life here at Assumption College.

St. Patty's Day

Green flooded campus on Sunday, March 17th as students became Irish to celebrate St. Patrick's Day. Excited for the popular celebration, students visited various Irish pubs throughout Worcester, including hot spots Leitrim's and Mahoney's, and attended the annual Boston Parade. It doesn't matter what your heritage is...everyone is Irish on St. Patrick's Day!

Start 1

START 1 is one of the many programs run by campus ministry that provides students with the opportunity to grow in their faith and strengthen their relationship with God. It is a 24 hour retreat where students reflect on different aspects of their lives, and open doors to different relationships students may have never been exposed to. It is student-led and includes: talks by students, small group discussions, time for reflection, and opportunities for students to relax with one, another.

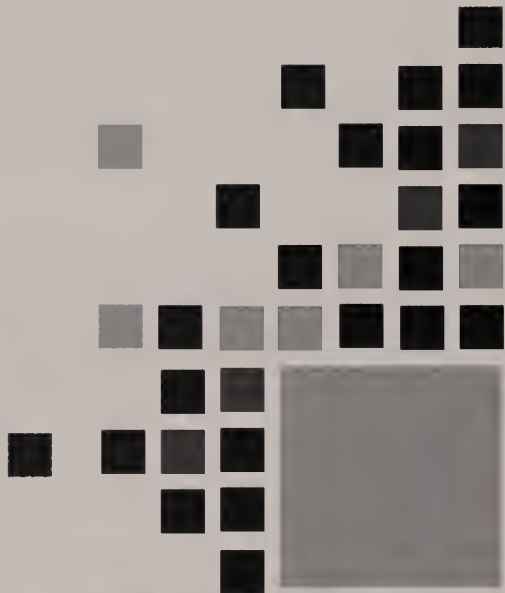

Start 2

START 2 is the continuation of the retreat experience offered at Assumption College. This year's START 2 retreat marked its 10th anniversary. For those who have attended START 1 and enjoyed the experience, START 2 is an opportunity to take another step, or "Continue the Journey." While START 1 focuses on community, START 2 is focused on the individual and their relationship with God. This retreat asks where one is in their faith and pushes them to go further. This year's retreat was a great success with rectors Will Rein and Carly Finegan leading the way. While this retreat is much more faith focused, those on the retreat still shared in all the laughs and love that the START community never fails to offer.

SEND

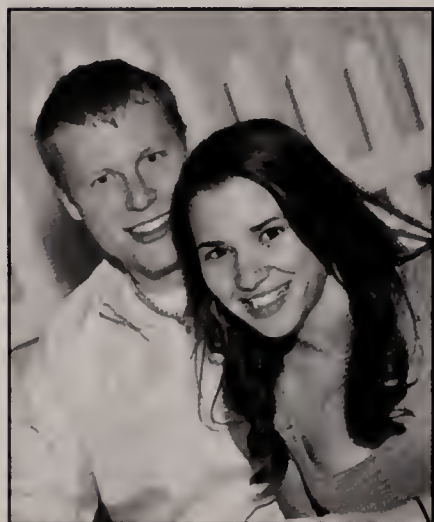

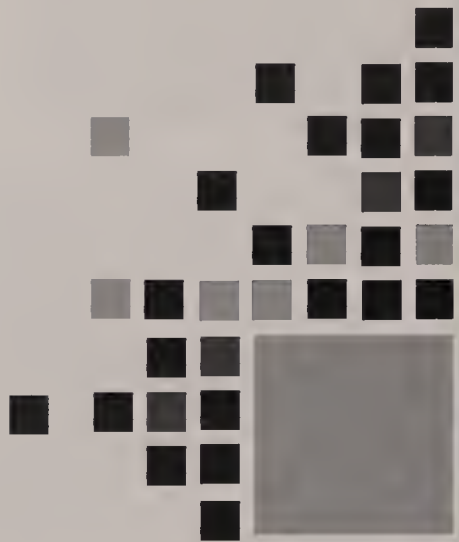

The SEND program offered through Campus Ministry allows Assumption students an opportunity to participate in a service trip during a college break. These service locations are international, in Ecuador, and within the U.S., in Tuscaloosa, AL, Georgetown, DE, Trenton and Camden, NJ, Staten Island, NY, PA, FL, Washington D.C., Baltimore, MD, and Pine Ridge, SD. Through these service immersion trips, students step into the poverty, homelessness, and injustice in our world and work alongside the people within the communities of these various locations. Some groups participate in a Habitat for Humanity mission to provide families with affordable housing, and others exercise a ministry of presence and spend time, one on one, with individuals in need. SEND trips inspire students to spread the awareness of different social issues and work to change the lives of others through service.

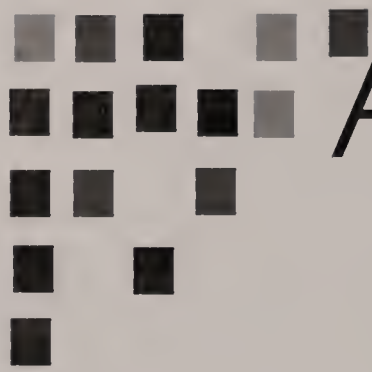

Spring Ball

On March 22nd, 2013 the juniors and seniors attended the Spring Ball at a new venue. Starting at 6:00 sharp and continuing on until 11:00pm the upperclassmen ate, danced, and made new memories at Union Station. This event was very elegant, classy, and simple. Students received a photo booth strip as a favor for attending. This Ball at it's new location was the perfect way for students to celebrate the year coming to an end. strip as a favor for attending. This Ball at its new location was the perfect way for students to celebrate the year coming to an end.

A Letter from the President

Dear Graduates:

The last four years have prepared you for this important moment in your life. Whether you are continuing to pursue a graduate or professional degree or beginning a career, you leave Assumption College a different person than when you first arrived on this campus.

We are confident that you have gained mastery in a field of study during your years at Assumption. But, this mastery could have been gained at any institution of higher education. Your education at Assumption College has been different because it is an education that affirms a set of values grounded in the Catholic intellectual tradition and enriched by the charisma of the Augustinians of the Assumption. The motto of our College, as you know, is "...until Christ be formed in you." Hopefully, these have not been empty words in the course of the last four years, but rather the inspiring vision that has given meaning to your Assumption experience by making Christ present and known to you in those you have encountered here and in the many facets of life that have shaped you up to this moment. The realization of our motto is possible because you have been engaged in a process of learning that is sacred. For in the act of learning mathematics, history, literature, science, business, education, indeed any of the disciplines represented in this College, something about the way God works within knowledge touches the soul and enlivens humanity. And in the act of acquiring and communicating this knowledge God reveals. The act of God revealing Himself is transformative, not only for you as individuals but for the world in which you will live out your personal and professional life.

As graduates of Assumption College, you need to bring God into this broken world because the world does not know God and indeed the world does not want to know God. As you go forward from this place, it is my deepest hope that Assumption College has not only been a place where you have learned and developed to live successfully in society, but as a Catholic and Assumptionist institution, I hope it has also been a place where values and beliefs have become an integral part of who you are

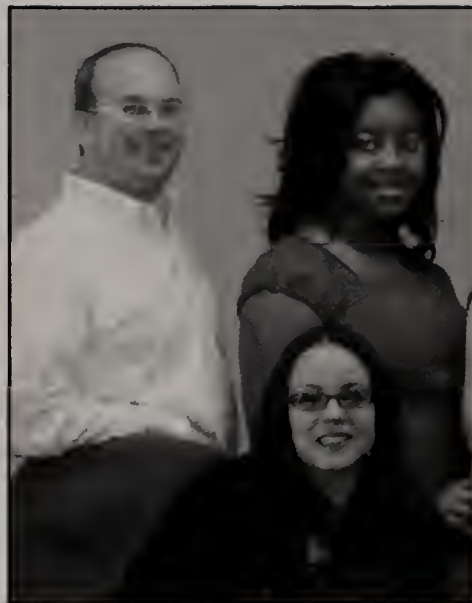

Describing one of the aims of education, Fr. Emmanuel d'Alzon wrote, "we will find ourselves urging our young people towards God, delivering them from what is false, raising them to the level of truth, transforming them into vessels of truth, convincing them that nothing but truth is real or good." You are those vessels of truth. The world is in desperate need of individuals like you who are willing to embrace the truth, even when doing so may require you to stand in opposition to the secularism and moral relativism that dominate our world today. Do not be afraid to be people of conviction and belief. Do not be afraid to speak genuine truth and to live your lives in a way that is consistent with the values you have gained at Assumption College. Above all, faithfully live out the vocation to which you have been called by God and which you have discovered during your time here.

I congratulate you on all that you have accomplished and I challenge you to take what you have learned to lead a life beyond the self by contributing your time and talent in service to the community so as to create a better world for future generations. Congratulations and God bless you.

Our wish for you:

That you might be brave in times of trial, when others lay crosses upon your shoulders, when mountains must be climbed and chasms are to be crossed, when hope can scarce shine through.

That every gift God gave you might grow with you
And let you give your gift of joy to all who care for you.

That you may always have a friend who is worth that name, whom you can trust, who helps you in times of sadness and who will defy the storms of daily life at your side.

One more wish that we have for you:

That in every hour of joy and pain you may feel God close to you.

~Excerpts from an Irish Blessing~

When I was 5 years old, my mother always told me that happiness was the key to life.

When I went to school, they asked me what I wanted to be when I grew up. I wrote down 'happy'. They told me I didn't understand the assignment, and I told them they didn't understand life."
